

EDISON SAILING CENTER

TEACHING YOUTH THE ART OF SAILING

~Laser Racing Team~

The Edison Sailing Center Laser sailors have a racing team that competes locally, and in state held regattas. The fleet of sailboats that the team uses are the same as used in the Olympics. As with any sport, there are expenses for items such as equipment, safety gear, race gear, registration costs, coach fees, and more. We're asking our community partners, friends, & family for sponsorship to help offset such costs. In return for your support, we will advertise your company/family name in accordance with the sponsorship levels outlined below for one sailing season (Sept – May). Thank you again for your consideration!
